Dear Family & Friends,

I wanted to take this opportunity to let you all know that I will be running for the Chair of the Hawaii Republican Party, which is a 2-year **voluntary** term in which I must be elected. You know my faith, Shari and I turned to prayer to hear from God, to be under His covering and His will before taking this step of faith that would impact our family and our lives. God gave me specific scripture: Hebrews 5; Jeremiah 3; and 2 Corinthians 5:17-19 which all cumulated to, my purpose, and in what manner I will be of service to Him. God imparted that my ministry is politics and He wants His followers to storm the kingdoms of the world sharing His love and light preserving His precious lost ones until they choose Him. From a very young age, God had designed my heart to care for the 'aina and its people. I cannot stand by and allow the world to impose its values on me but rather dutifully share His values with the world for them to choose. If God is guiding our steps and Shari and I are seeking Him and His righteous, then the miraculous is expected.

While in prayer, "For Seven Generations" is the vision God gave me. For everything we do, for all the decisions we make, we must realize the effect (negative or positive), that will impact future generations. Imagine if the bar was raised and all politicians find themselves conducting public service with love, hope, selflessness and righteousness! What if God sets the standard so that no matter what political party you are affiliated with, the greatest priority is the health and well-being people and the 'aina?

The Hawaii Republican Party needs a full-time, dedicated individual to lay down a "solid foundation" upon which people of like mind and hearts can share and participate in the political system. Within the Hawaii Republican Party, there is an in-house election to select a party chairman who will set the vision, direction, and to affect change in the political system in Hawaii. It is a statewide internal elected office that is not regulated by the Campaign Spending Commission. As a registered voter in this State, you can help me by:

- 1) Complete and sign the attached Republican Party Membership Card and return it to me before 1/15/09;
- 2) Go to your Local Republican Party Caucus during January 25-Feb 7 (I'll confirm the dates as it becomes available);
- 3) Either become a Delegate or an Alternate that will support me to attend the 2009 Hawaii Republican Convention; and
- 4) Attend the Hawaii Republican Party Convention in Kona on May 17-19, 2009 to **VOTE YES** for Jonah-Kuhio Kalaniana'ole Ka'auwai for Chair of the Hawaii Republican Party.

In order to mount a successful statewide campaign, my goal is to raise \$15,000 by March 2009. By making a contribution now of \$25, \$50, \$100, \$250, or \$500 or whatever you feel led to send, the funds will be used for mail-outs, advertisements, website, and travel to the neighbor island caucuses and district conventions. Please help me win the vote for the future of this State. Despite the many distractions and negative communication that has already begun, Shari and I have great peace with this decision and we have absolutely no apprehension to this calling but we need your support. If you have any questions, please do not hesitate to contact me at [Jonah.Kaauwai@gmail.com](mailto:Jonah.Kaauwai@gmail.com) or call me at 620-5702.

Aloha Ke Akua,  
Jonah-Kuhio Kalaniana'ole Ka'auwai
